Cristiano Ronaldo
JUVENTUES F.C.

Knocked out the champions league in the quarter finals for the first time ever in his career. Ever since his move from his former team ronaldo has failed to qualify for the final in the the champions league. Ronaldo has won the champions league 3 times in a row. But because of rumored cristisism at real madrid, ronaldo has decided to leave the club and head of to italy and join the bionconeri. Ronaldo insisted on making a move since the president of his old club stated that, "Ronaldo is getting to old we dont need him no more." In response he stated, " I will not stay where i am not wanted." As his departure from madrid the team has sufferered dramatically. the club is not winning like they have alwasys done. And even got knocked out by ajax. While his old team is suffering ronaldo on the other hand is dominating the italian league. But failed to qualify with juventues to the final of the chapioms league.

Lionel Messi F.C. BARCELONA

Knocked out of the champions league semi final for the fifth time in a row despite their win last week. As barcelona struggle again to another champions league loss. Messi walks of the stadium in disbelief as they loss to liverpool 4-0 away from home, despite messi's amazing preformance at camp nou when messi single handly destroyed liverpool with a win of 3-0 and scored an outstanding freekick form thirty yards out the goal net. Since ronlado's departure from spain messi has overtaken the league. Messi has been in top form this season with only 3 losses this year with his team.
