2) On your ECE e-Portfolio About Me site page, scroll down to Edit:

3) A text box will appear, allowing you to edit the text on the page. Replace the dashes in the first line with your name:

4) On the third line, identify your specialization—infants and toddlers or preschool-age children. Delete the text that is NOT your specialization, including the parentheses and slash (/). Keep the text that is your specialization:

5) After you have finished editing, click Update on the right:

	The video below (https://youtu.be/sD5g-11dddQ) provides instructions on using your e-Portfolio please delete when finished your last 400-level ECE course	Move to Trash Update
	your e-Portiono piease delete when hinshed your last 400-level ECE Course	Custom Fields
	Word count: 87 Draft saved at 2:42:56 pm. Last edited by Jen Longley on September 27, 2021 at 6:41	Name Value

6) Find the black horizontal bar at the top of the page, hover over the title of your site, Yourname's ECE e-Portfolio (yellow rectangle below), so that Visit Site appears (purple rectangle below). This will take you to the home page (About Me) of your ECE e-Portfolio site:

# Part IV | Upload your Materials to Your ECE e-Portfolio

7) In your site menu, click on Academic Artifacts (yellow circle below) > your specialization— Infant-Toddler Specialization or Preschool Specialization—(turquoise square below) > click on the class to which you would like to upload materials (purple arrow below):

8) Click Edit:

9) The text box will appear. Put your cursor under Artifact: Name of Artifact > press the Enter/Return key so the cursor is flashing. This tells the program where you want the document to appear:

# 10) Click Add Media:

11) Click **Upload Files** > **Select Files** (PDFs only). (To convert a Word document to a PDF, open the Word document, go to File > Export > Create PDF. To convert a Google document to a

PDF, open the Google doc > File > Download > PDF. To convert a Pages document to a PDF, open the Pages doc > Export To > PDF.)

Collapse menu	This course focuses on the theories, methods and materials of early childhood education for infants (birth to eighteen months), with an emphasis on addressing developmental needs and culturally appropriate practices in their education and care. The following topics are explored in depth: social, emotional, cognitive and physical development of infants; basic principles of infant care giving, including providing culturally sensitive and consistent care; arrangement of the environment and developmentally appropriate experiences to promote infant growth and learning; the role of parents and establishing partnerships with families.		<ul> <li>Standard</li> <li>Standard</li> <li>Aside</li> <li>Aside</li> <li>Audio</li> <li>Chat</li> <li>Gallery</li> <li>Image</li> <li>Vilke</li> <li>Status</li> <li>Video</li> </ul>
