

Professional Development Plan- *Revised*

Do you want to be an ECI (infant/ toddler) or ECP (preschool) major? Why?	I want to be an ECP major because I want to be able to teach and support children with their academics. I want to be able to help children prepare in their development skills to ensure they are prepared for future academic experiences.
What qualities do you have that will help you be successful working with your chosen age group?	Some qualities I have that will help me be successful while working with my chosen age group is being patient , listening skills , able to see where I'm doing wrong and being able to correct myself to improve.
What skills would you like to develop that will help you be more effective working with that age group?	I want to be able to develop more observation skills specially working with my age group to make them feel safe in the environment and most importantly learn about them so they can help me in how to help them. I want to be able to detect right away whenever they have an issue.
What are your career goals?	My career goal is to become an expert in my field and help kids build independence and build self confidence throughout their future.
What steps will you take to achieve those career goals?	<ol style="list-style-type: none">1. study more about my career and get informed.2. pay attention in class , ask questions if confused.3.examine my nephews and nieces or any children skills , actions4. work hard in my classes , specially having patience5.set time bound goals
