All About Plants

I was inspired by Unit 8 named Plants of the Units of Study:Instructional Guidance for Pre-K.This unit will be about the study of plants and how they grow.The goal is for students to learn about plants and how they grow as well as what types of plants there are.

My Sub-themes help support the All about Plants curriculum to allow my students through a series of exploration and discovery lessons and activities to learn about different plants.

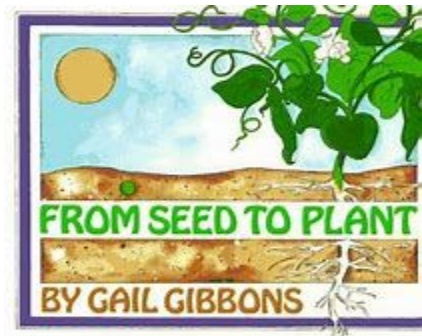

Sub-Theme 1: Plant Life Cycle

Activity 1: Garden Bed Sensory play with seeds, dirt, flowers, shovels, and water

Activity 2: Music How Flowers Grow (Wheels on the bus melody)
