A Guide to the 2024-2025 FAFSA Form

PROVIDING TAX INFO IN A SIMPLER WAY

THE NEW FAFSA FORM IS MUCH SIMPLER THAN EVER!

Instead of manually entering your tax information, you are now able to transfer tax records from the IRS directly into the FAFSA—with your permission, of course! All you need to do is provide consent. This new process is easy, fast, and accurate, all at the click of a button!

CONTRIBUTORS

“**Contributor**” is a new term being introduced on the 2024–25 FAFSA form. A contributor is anyone (you, your spouse, your biological or adoptive parent, or your parent’s spouse) who is required to provide information on the FAFSA form, sign the FAFSA form, and provide consent and approval to have their federal tax information transferred directly from the IRS into the form.
