Name : Briana Crespin

<p>Do you want to be an ECI (infant-toddler) or ECP (preschool) major? Why?</p>	<p>I want to be an ECP pre-school major because id rather work with children that are young but not too young. Children seem to love me and so far I like the course that I am taking if anything I will change it to infant and toddler.</p>
<p>What qualities do you have that will help you be successful working with your chosen age group?</p>	<p>The qualities that I have that will help me be successful working with the age group which I chose is that I have good communication skills and patience. In order to work with younger children you must be attentive and pay attention when observing the children. Also I have s good personality and god energy meaning the children would like me and look forward to learning.</p>
<p>What skills would you like to develop that will help you be more effective working with that age group?</p>	<p>There are certain skills that I would like to develop in order to be more effective working with this age group. I would like to improve on my understanding of this age group. This is my first semester learning about children development. Hopefully I develop more knowledge and understanding ignorer to be the best teacher I can be in the future.</p>
<p>What are your career goals?</p>	<p>My goals in this careers to learn everything about early childhood development that way I can get my degree. I want to do four years in total. I want to get my associates degree at BMCC and then get my bachelors in order to be a teacher.</p>
<p>What steps will you take to achieve those career goals?</p>	<ol style="list-style-type: none"> 1. Take the courses needed in order to get the degree I want. 2. Complete my two years at BMCC and get my associates degree. 3. Transfer to a four year school and get my bachelors degree. 4. Get a teaching job with pre-school students. 5. Advance as the years go by who knows what the future holds for me career wise.

What steps will you take at BMCC to help you reach those goals?

1. Pass all my classes for my major.
2. Take summer or winter classes if needed in order to graduate on time.
3. Meet with my advisor to stay on track. Take as many opportunities as possible.
4. Graduate in 2022 and get my associates degree in early childhood.
