

## Professional Development Plan

Do you want to be an ECI (infant/ toddler) or ECP (preschool) major? Why?	I want to be an ECP major because I want to be able to teach and support children with their academics.
What qualities do you have that will help you be successful working with your chosen age group?	I have experience as a paraprofessional, and I've worked in kindergarten twice and 2nd.
What skills would you like to develop that will help you be more effective working with that age group?	The skills I'd like to develop would be my observation and note taking, I was just introduced but would really like to continue improving this skill.
What are your career goals?	My career goals are to become a teacher for grade Pre-K to 2nd, I'd like to also do physical education or mathamitics still not sure which one.
What steps will you take to achieve those career goals?	<ol style="list-style-type: none"> <li>1. Take the correct courses.</li> <li>2. Try to absorb as much information from the course.</li> <li>3. Continue my job as a paraprofessional to gain in person experience.</li> <li>4. Ask my professors questions when I'm confused.</li> <li>5. Set a realistic timeline goal.</li> </ol>
What steps will you take at BMCC to help you reach those goals?	<ol style="list-style-type: none"> <li>1. Take all the ECE courses I need.</li> <li>2. Get advice by my academic advisor.</li> <li>3.
