Once you click on this link to begin your exam, you will have 90 minutes to complete it. The text is designed to automatically submit after the 90 minute time limit. You are permitted to use a paper dictionary and your exam reading materials, however no additional sources are permitted to be used during this essay exam.

Please remember: Late submissions will not be accepted or graded.

BMCC's Policy Regarding Plagiarism:

Plagiarism is the presentation of someone else's ideas, words, or artistic/scientific/technical work as one's own creation. A student who copies or paraphrases published or on-line material, or another person's research, without properly identifying the source(s) is committing plagiarism.

Plagiarism violates the ethical and academic standards of our college. Students will be held responsible for such violations, even when unintentional. To avoid unintended plagiarism, students should consult with their instructors about when and how to document their sources. The library also has both print and digital guides designed to help students cite sources correctly.

Plagiarism carries a range of penalties commensurate with severity of the infraction. The instructor may, for example, require the work to be redone, reduce the course grade, fail the student in the course, or refer the case to the Faculty-Student Disciplinary Committee (see Article 15.4 of the Bylaws of the Board of Trustees). Cases referred to that committee could result in suspension or expulsion from the college.

Please Note: My policy is to fail the assignment and report the offense.
