Workshops Rules Guidelines

1. In order to get into the workshop, students must have a ZOOM account registered with their BMCC email address.
2. Come into your workshop on time. Workshops close approximately 15 minutes after they start.
3. Please try your best to minimize background noise and disruptions.
4. Dress appropriately and place yourself in an area that is good for studying.
5. Maximize your results by being prepared to take notes and share your ideas about the texts.
6. Study as much as you can with other students and tutors. Tutorial services can be accessed at www.bmcc.upswing.io.
