Hall of Crime-Fame

Hello readers, I've been digging into articles that happened in a range of seven days and found cases that had murder, theft, credit card fraud, and embezzlement written all over them.

The Article [*Man Pleads Guilty to 2022 Hate Crime Spree Targeting Orthodox Jews*](#), In the 2022 ramp Dion Marsh, age 29 (right now he's 31 years old) was found guilty of carjacking and using the stolen car to attack five Jews in the city of Lakewood, N.J. On Feb 1 Dion was found guilty and was sentenced to 30 years behind bars

According to the article titled [*Mayor Adams Joins Police Raid, Seeking to Expose a Migrant Crime Ring*](#), Major Adams participates in the police raid to see the conflict of criminal behavior by migrants. Migrants were found stealing citizens' phones and other valuable items they could grab and sell.

Next the article called [*Grinch Boys' Charged With Robbing Clubgoers to Fund Shopping Sprees*](#), is this gang called the Grinch Boys who spend their time stealing people's phones and credit cards and hacking into them to spend citizens' hard-earned cash for expensive items. But in this case, there were a few people who were identified in this case but some slipped out of police officers' hands. Who knows how much these people spend but it's up to \$150,000.

[*This one article called Mother of Michigan Gunman Found Guilty of Manslaughter*](#) was about a serious and surprising case of a mother, Jennifer Crumbley who was charged with 4 counts of involuntary manslaughter by her son, Ethan Crumbley who had a gun in school and shot and killed other students in Oxford High School on Nov. 30, 2021.

Lastly, [*Amnesty International accuses Israel forces of killing Palestinians in the West Bank with impunity*](#), a news about the ongoing Israeli-Palestinian war where Israelis used explosive to fire on the Palestinian protest at the West Bank where the protesters were helping the injured, this article shows Israelis used extreme force on people who couldn't defend themselves which resulted in murder.
