Completing Modules on OpenLab Self-Assessment

Name: Date:

For each element (row) identify which column best describes your paper. Answer the questions below.

TASK	COMPETENT	LEARNER	NOVICE
THOROUGHNESS	All comments were thorough, with rich, well-developed, detailed answers.	Almost all of the comments were thorough, with rich, well-developed, detailed answers.	Many of the comments were thorough, with rich, well-developed, detailed answers.
REFLECTION	All of the comments had well-developed, thoughtful, rich, reflective answers.	Almost all of the comments had well-developed, thoughtful, rich, reflective answers.	Many of the comments had well-developed, thoughtful, rich, reflective answers.
UNIQUENESS OF COMMENTS & REPLIES	All of the comments & responses contained unique perspectives, insights, info & did not repeat material from previous comments & responses.	Almost all of the comments & replies contained unique perspectives, insights, info & did not repeat material from previous comments & responses.	Many of the comments & replies contained unique perspectives, insights, info & did not repeat material from previous comments & responses.
CONNECTION TO CONTENT	All of the comments & replies contained multiple direct, explicit, specific connections to the module's content (readings, videos, etc.)	Almost all of the comments & replies contained multiple direct, explicit, specific connections to the module's content (readings, videos, etc.)	Many of the comments & replies contained multiple direct, explicit, specific connections to the module's content (readings, videos, etc.)
REPLIES TO COMMENTS	All of the replies connect to the original comment in a meaningful, specific, thoughtful, thorough, manner that add build, expand, or extend the original comment _using the word because_ (Eg: *"I agree that helping families feel comfortable is important,* because *children feel more comfortable in early childhood programs when their families feel comfortable too."*	Almost all of the replies connect to the original comment in a meaningful, specific, thoughtful, thorough, manner that add, build, expand, or extend the original comment _using the word because_ (Eg: *"I agree that helping families feel comfortable is important,* because *children feel more comfortable in early childhood programs when their families feel comfortable too."*	Many of the replies connect to the original comment in a meaningful, specific, thoughtful, thorough, manner that add, build, expand, or extend the original comment _using the word because_ (Eg: *"I agree that helping families feel comfortable is important,* because *children feel more comfortable in early childhood programs when their families feel comfortable too."*
MODULES	All of the modules were completed.	Almost all of the modules were completed.	Most of the modules were completed.
ACTIVITIES WITHIN MODULES	All of the activities in each module were completed.	Almost all of the activities in each module were completed.	Most of the activities in each module were completed.
TASKS WITHIN ACTIVITIES	All of the tasks in each activity were completed.	Almost all the tasks in each activity were completed	Most of the task in each activity were completed.

CLARITY	All of the comments & replies were clear, organized, & coherent.	Almost all of the comments & replies were clear, organized, & coherent.	Many of the responses were clear, organized, & coherent.

Reflection Questions

1. For the element 'THOROUGHNESS', what column did you place yourself in? Why?

2. For the element 'REFLECTION', what column did you place yourself? Why?

3. For the element 'UNIQUENESS OF COMMENTS & REPLIES', what column did you place yourself? Why?

4. For the element 'CONNECTION TO COMMENTS', what column did you place yourself? Why?

5. For the element 'REPLIES TO COMMENTS,' what column did you place yourself? Why?

6. For the element 'MODULES', what column did you place yourself? Why?

7. For the element 'ACTIVITIES WITHIN MODULES,' what column did you place yourself? Why?

8. For the element 'TASKS WITHIN ACTIVITIES', what column did you place yourself? Why?

9. For the element 'CLARITY', what column did you place yourself? Why?
