

ECE 211 Curriculum Web: Theme Planning Worksheet

**Theme:**

**Sub-Theme 1: What I eat, what my classmates eat, what people around the world eat**

**Sub-Theme 2: Where does our food come from?**

**Sub-Theme 3: How does food make help or hurt our bodies? food as medicine?**

**Sub-Theme 4: What happens to our food when we don't eat it and it goes "bad"? (decomposition and composting)**

**Sub-Theme 5: How can we help people who don't have food?**

I am interested in this theme because...

**Through this theme students will discover...**

**The sub-themes will support student learning this big-picture topic by...**
