

ECE 211 Curriculum Web: Theme Planning Worksheet

Theme: Nationality/ Ethnicity

**Sub-Theme 1:
our family
nationality**

**Sub-Theme 2:
music and dance**

**Sub-Theme 3:
traditional food
from your
country**

**Sub-Theme 4:
language spoken
in your country**

**Sub-Theme 5: where
my family are from
and where they live
now**

I am interested in this theme because... it is important to know our background, and living in a country where there are people with different nationalities it is good to know about them.

Through this theme students will discover... our own nationalities as well as our friend's. at the same time their traditions and learn more about us and our friends.

The sub-themes will support students learning this big-picture topic by... learning in parts about their family nationalities.
