

## ECE 211 Curriculum Web: Theme Planning Worksheet

<b>Theme: Winter</b>				
<b>Sub-Theme 1: What is Winter?</b>	<b>Sub-Theme 2: Change in weather</b>	<b>Sub-Theme 3: Holidays</b>	<b>Sub-Theme 4: Animals</b>	<b>Sub-Theme 5: Ice and Snow</b>
<b>I am interested in this theme because I believe that season is an big one and I want the students to know the significance of winter and how it varies in length. There is so much that happens during that season and to me it is a time where a lot takes place especially for younger children.</b>				

**Through this theme students will discover a break down of winter, the change of weather, and what consists of winter (Breaks, holidays, art and crafts, fun activities, etc).**

**The sub-themes will support student learning this big-picture topic by introducing big concepts of winter, the timing, what takes place and what happens during winter while doing hands on activities, reading materials, etc.**
