

What Does Thanksgiving Means To Me?

Thanksgiving is a day of celebration, a day to thank God for being safe and healthy. For instance, I like to thank God for keeping me and my family in good health. As we already know the coronavirus is still around and I feel lucky to still be alive. I am also thankful for having a job; nowadays the unemployment rates are very high and is hard to find employment. I am thankful for my safety. There are too many crimes happening every day in NYC. According to the NYPD, “the overall index crime in NYC increase in October 2022, by 5.9%.”

Thanksgiving is also a day to spend time with friends, family or both. A day of gathering and sharing a dinner together and to go to church. For example, I celebrate Thanksgiving at my sister’s house, where our friends and family members meet. My sister cooks the turkey and the rest of us bring desserts, salads and beverages. Thanksgiving is a break from work to recharge our batteries. Is the time to dissociate ourselves from the daily routine.
