

~~My~~ says  
~~I~~ it sounds like something  
out of a ~~wooden~~  
little ~~toy~~  
baby.  
don't go to work  
home quietly.  
wake up.  
I can do it forever.  
I tried to ~~see~~ shower.  
~~of~~ masks at the  
~~and you'd never~~  
hell.  
Everything flesh-covered,  
colored in  
my sunken stomach.  
I am ~~alone~~.  
to God,  
the best.  
I wonder how  
work  
for some reason.

a child  
learning the function.  
~~the~~ losing a war.  
~~they~~ sink  
their claws into ~~me~~ and bite  
me.  
how you are?  
a little  
I talk  
one word shoving another.  
cross the river  
It occurs to me  
it is possible.  
I can.  
there are  
ways of living.

suddenly  
beautiful.  
I've thought heavily.  
I consider strategy  
and wait.
