

Professional Development Plan

Do you want to be an ECI (infant/ toddler) or ECP (preschool) major? Why?	I want to be an ECE major because I like to work with children between the age of 3 and 8 years, they are more independent, and I love to teach math, reading, and writing.
What qualities do you have that will help you be successful working with your chosen age group?	The qualities I have that will help me be successful in working with 3-8 years old are. Perseverance, passion, and patience, and I speak three languages and planning to take the fourth one in the upcoming semesters, which will help me communicate with non-native English speakers' students and their caregivers.
What skills would you like to develop that will help you be more effective working with that age group?	I would like to develop my public speaking skills, reading and writing, and observation and analyzing children's skills inside the classroom.
What are your career goals?	My career goal is to become a headteacher in NY public school and work on my master's and Ph.D. in Child Development.
What steps will you take to achieve those career goals?	<ol style="list-style-type: none"> 1. Get my associate from BMCC in two years. 2. transfer to Hunter College to get my bachelor's in Early Childhood Education. 3. Apply for certification and Get fingerprint clearance. 4.
