

BROOKLYN,NY

I was born & raised in East New York, & still reside there today. Brooklyn is known to be one of the most beautiful places in NY from brownstones to Coney Island. There is never a day where you won't see a beautiful sight. I love to visit the old vintage buildings that were famously known back in history. I love Brooklyn strictly for its kind & beautiful people, to their beautiful places to explore.

Brooklyn Bridge

The Brooklyn Bridge is famous because there had never been a bridge like it before. When it was finished in 1883, it was the first steel-wire suspension bridge and the longest suspension bridge in the world. It was the first bridge to connect Brooklyn to Manhattan and led to an explosion in the population of Brooklyn.
