

Finding a Shakespeare Play

1. The Library website
2. OneSearch provides access to books and articles
3. How to identify the plays written by Shakespeare, William 1564-1616
4. You can find books in the Library Stacks with a Call Number.
5. Sharing an item from OneSearch, using the Permalink
6. Logging in with the CUNYFirst username and password.
7. How to make an appointment with a librarian

What play are you looking for?

Were you able to find the play on the Library website using OneSearch?

Please provide the call number for the book, or the permalink for the record that you found, because it is an ebook.
