

## Using Multiple Databases to find a peer reviewed sociology article

- Starting place:
  - <https://www.bmcc.cuny.edu/library/>
  - We begin by opening the Sociology Research guide
    - <https://bmcc.libguides.com/soc100>
    - Open Social Sciences Full Text
- When opening a database off campus, I must login.
- <https://www.bmcc.cuny.edu/library/help/log-in-from-home/>
- The login is the CUNY First credential.

Once I am in the Ebsco interface, I click on choose databases. I select both Social Sciences FT and SocIndex FT

- My keywords:
    - Young adults and disabilities and mobility
  - Limits:
    - Peer reviewed
    - Full Text
    - Publication date the 2000s
  - Working with an item.
    - Open it. Download full text
    - Collect a citation (being sure to check it for accuracy)
    -
  - Remember the librarians are here to help you.
