Using New York Times Historical for History Research

- Starting place:
  - https://www.bmcc.cuny.edu/library/
  - We begin by opening the History Research guide
    - https://bmcc.libguides.com/History_Research
    - And open Primary Sources from the Library
    - New York Times Historical is on this list.

- When opening a database off campus, you must login.
- https://www.bmcc.cuny.edu/library/help/log-in-from-home/
- The login is the CUNY First credential.

- I always use advanced search with New York Times Historical, because it allows me to limit my search to articles. (The database includes everything that was published, including ads.)
- My keyword is Juneteenth.
- The New York Times did not report on Juneteenth until the 1980s. It supplies background on how Juneteenth has evolved since then.

- Remember the librarians are here to help you.

- My name is Robin Brown. I am the history librarian.
