Scene Designer

Sketch -> Model

Homework:

Pay attention to the lighting in your environment, and take a picture with your phone of a scene from your daily life with interesting lighting.

- The lighting can be natural or artificial in your picture.
- There can be more than one source of light.

Find the slide with your name on it, and paste your picture into that slide.

You will NOT be able to complete this once class has started.

Review

- Proscenium, Thrust, Semi-Thrust, Arena, Black Box, Environmental
