

## Professional Development Plan

Name : Jennifer Ramirez

Do you want to be an ECI (infant-toddler) or ECP (preschool) major? Why?	I want to be ECP major because children in that age are more communicative and understand more.
What qualities do you have that will help you be successful working with your chosen age group?	Trustful, patient, dedicated and passionate.
What skills would you like to develop that will help you be more effective working with that age group?	Creativity because I am able to think of ideas but I have a hard time being creative with things around me.
What are your career goals?	My career goal is to achieve my associate degree, transfer to Hunter college and complete my Bachelors degree in early childhood education teaching while completing NYS ECE certification requirements.
What steps will you take to achieve those career goals?	<ol style="list-style-type: none"> <li>1. Stay at Bmcc and continue studying for my major.</li> <li>2.
