

Professional Development Plan- *Revised*

Do you want to be an ECI (infant/ toddler) or ECP (preschool) major? Why?	I am interested in working with (ECP) preschoolers because I have a passion for helping young kids, as well as watching them learn and achieve.
What qualities do you have that will help you be successful working with your chosen age group?	The qualities I have are a lot of patience, I am an active listener, have empathy, and a positive attitude while engaging with children of all cultures.
What skills would you like to develop that will help you be more effective working with that age group?	The skills I would like to develop more of are my verbal and written communication skills. I am aware lesson plans are more effective with my age group, especially helping children with their fine motor skill development. Another skill I would like to develop is computer skills to formulate lesson plans and worksheets.
What are your career goals?	My career goal is to work with children in Early Childhood Special Education.
What steps will you take to achieve those career goals?	<ol style="list-style-type: none"> 1.Pass all my courses to obtain my associates in Early Childhood Education. 2.Study, read more pertaining to Early Childhood Education. 3.Complete Field work expectation to pass my seminar courses. 4.Obtain more experience working with children. 5.Continue college for my bachelors for Special Education.
What steps will you take at BMCC to help you reach those goals?	<ol style="list-style-type: none"> 1.Take advantage of the computer tutoring available. 2.Seek tutoring on assignments I may need help with. 3.Stay in communication with my professors when it comes to assignments and clarity I may need. 4.Join study groups,to help with my work and by meeting new people will help develop more communication skills. 5. Time management help offered so I am not overwhelmed.
