

Theme: all about Family and Friends

By: Lizeth Estrada

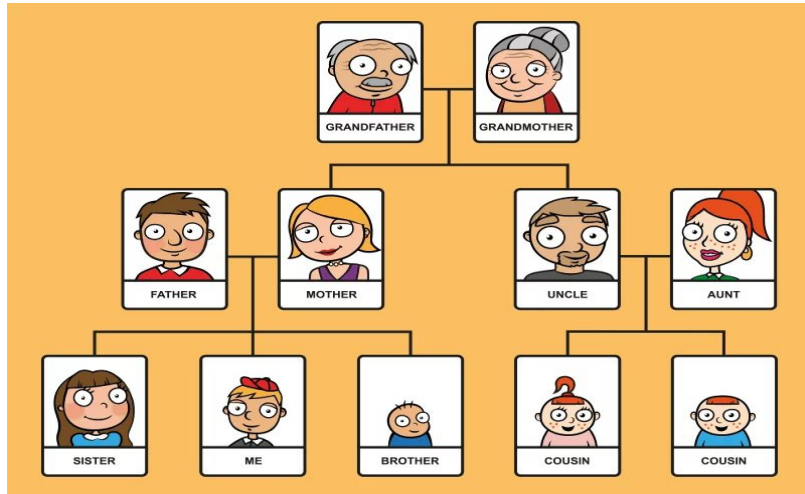

ECE-211

Professor Kristin.S

Introduction: students will be able to introduce each other and say where they are from and talk about their family background and create a family tree.

Book: Last stop on market street By: Oge. M.

Students are able to create a family tree for the classroom wall.

In this activity #1 Students can bring a family photo into the classroom and present them in class and present their family tree and describe how much they mean to them? And talk about their family background.

Book : como yo soy by: Karen. B

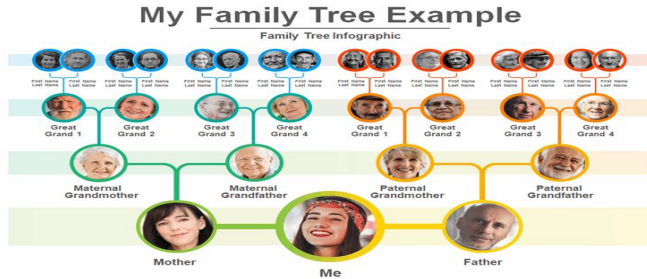

Creating a family and friends theme song

In activity #2 students are going to create a family and friends song describing how much they love them and care for them they will held hands in a group, the song will be short and sweet they will move to the song and clapped their hands to the song called Family and Friends a fun friendship song created by Lizeth Estrada.

Book : Me and my Family tree by : Joan Sweeney.

Family photo in the classroom

In this activity #3 students are going to paste their family photo in the tree so that if they feel fussy or feeling some type of separation and anxiety each of the family member is going to have a meaning to them it can help them keep them calm.

Book : Thank you By: OMU

Me and my family

My family is very huge they are everywhere but we are very caring and we like to help others we like to gather around for the special holidays.

My friends- they are very caring and they are always there when i most need them when i'm feeling down or things like that they know how to cheer me up.

Final
