Gwen Chavente is an animation and motion graphics major at Borough of Manhattan Community College. She defines her style as loose, easy and messy. When asked about the motivation behind these pieces she said, "I like my paintings to look traditionally painted when it comes to brush strokes, but I

definitely love making the highlights really pop and add a glow effect to pretty much anywhere I can add it to. When you check out my personal pieces and some of my school

PURP

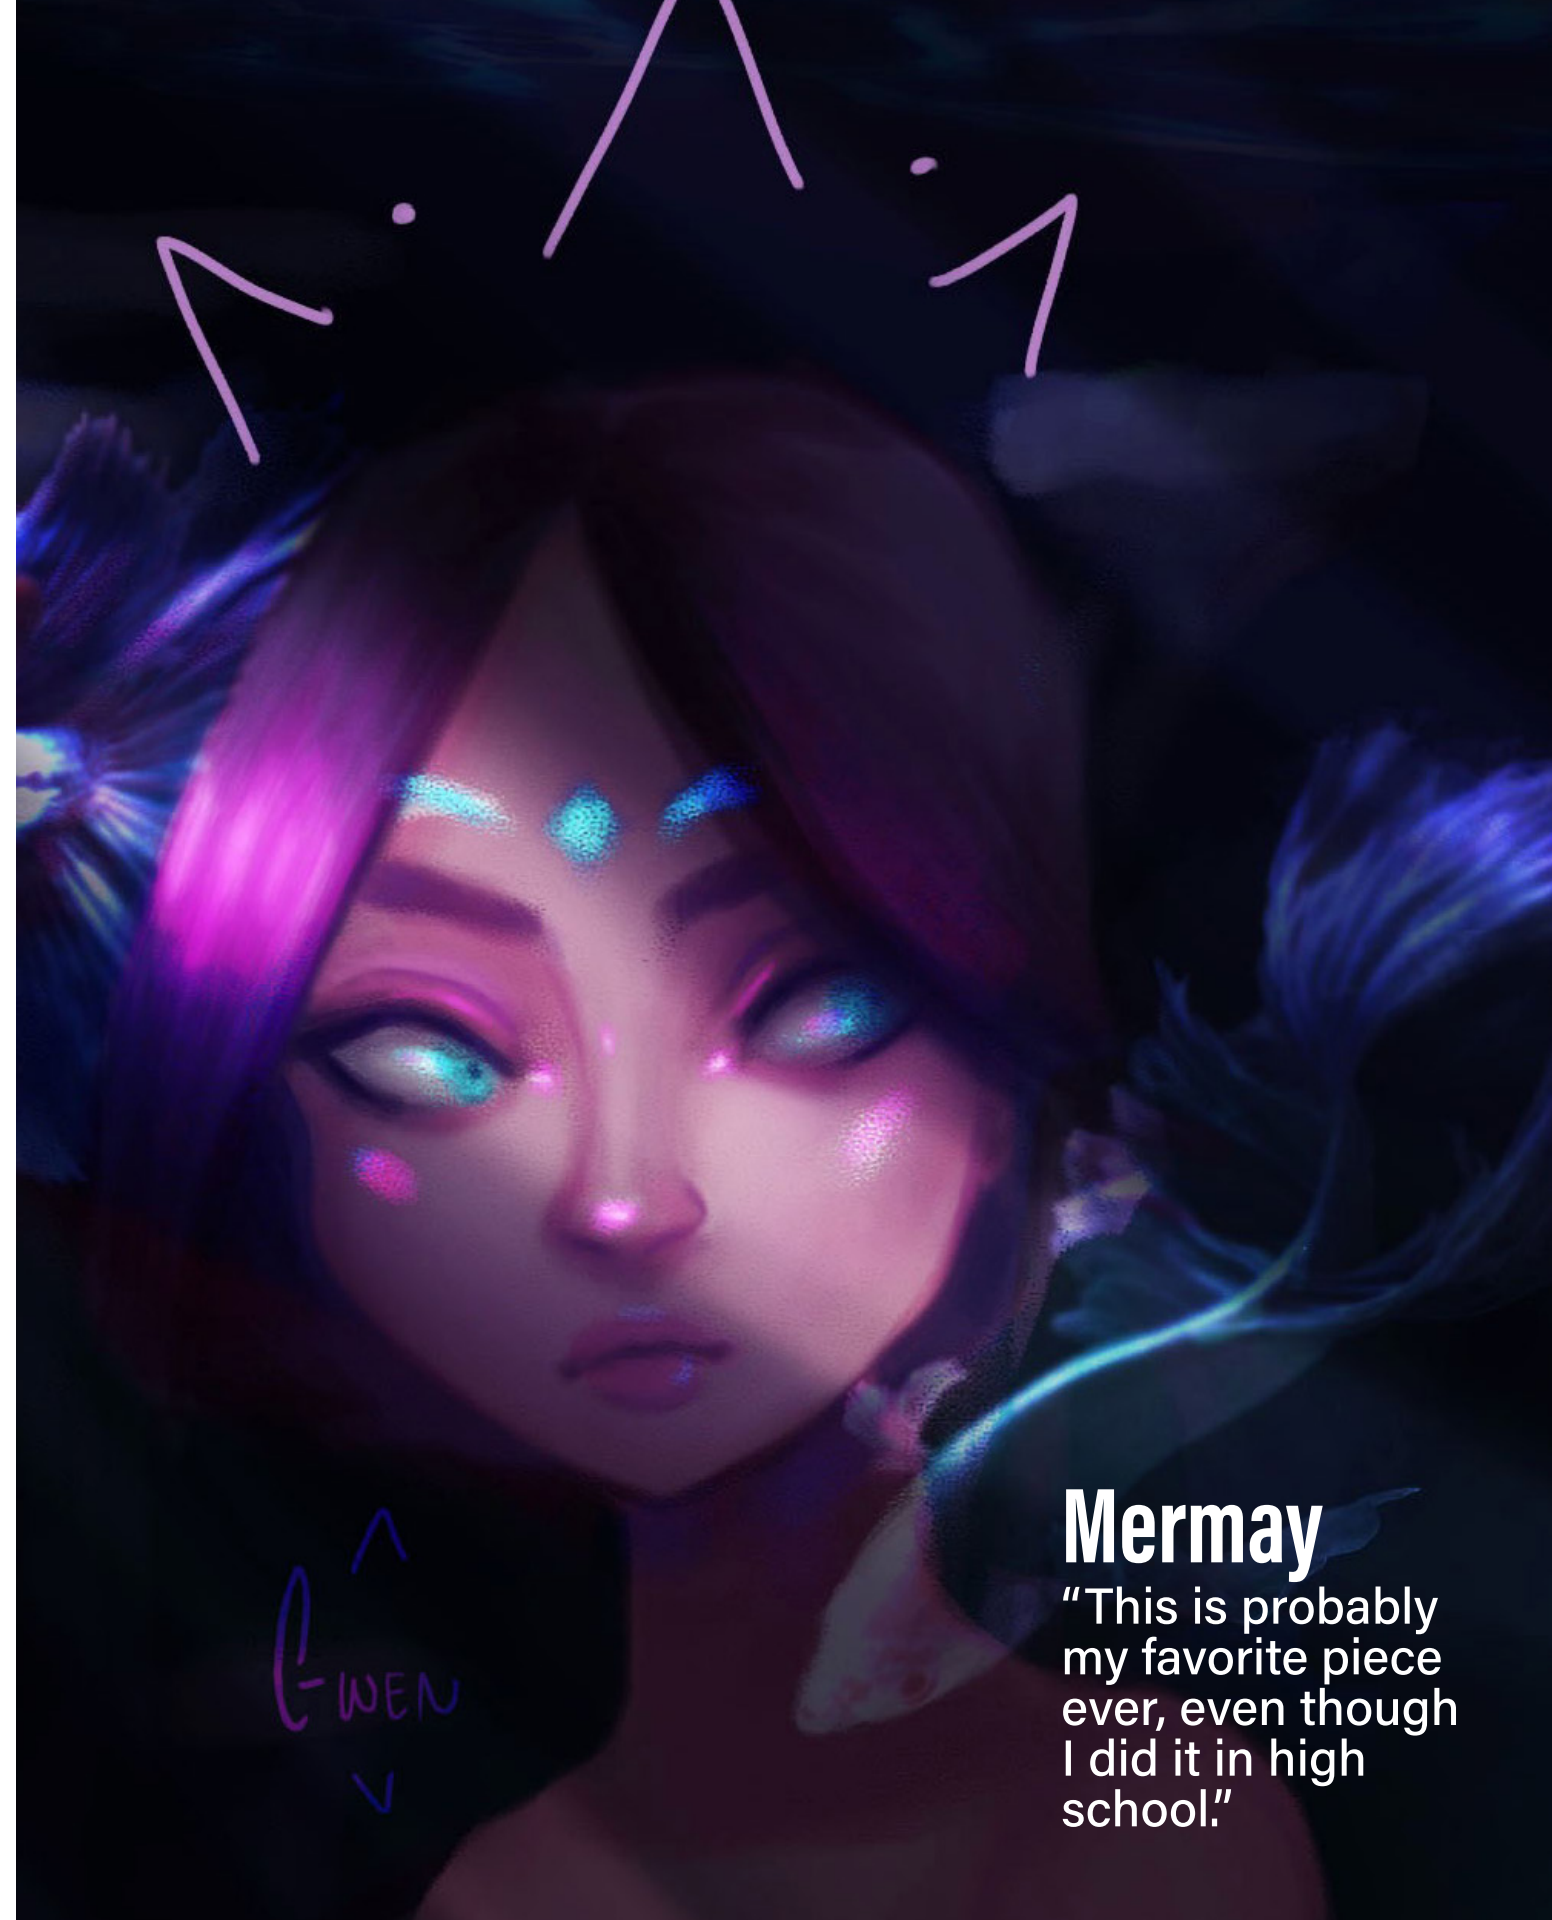

"This is fromt my mini series I did for class. Although I guess that series is technically to tryptich."
