

This site has all of the course materials, and we will post work and documentation here throughout the semester. You can find the [syllabus](#) and [schedule](#) here.

To join the Open Lab, [go here and click on the Join button](#) under the class logo image. You can then close the window to return to this page and refresh, or click on **Visit Course Site** from the Open Lab page, to see that you have been added to the **Blog Authors** below.
