PT-Fizemos reservas na noite anterior porque queríamos estar preparados caso o restaurante ficasse cheio

EN-We made reservations the night before because we wanted to be prepared in case like the restaurant ended up being full

Friday, May 10 10:00AM

PT -No dia dos nossos planos estávamos de plantão cerca de três horas antes de termos que sair e eu estava olhando em volta do meu quarto mas percebi que não tinha um suéter para vestir naquele dia (**e pelo jeito que o tempo estava ia ser, eu ia precisar**) então perguntei à minha amiga, já que ainda era um pouco cedo, se fôssemos ao Old Navy, perto do restaurante, e comprássemos um suéter para mim e ela concordou (**isso acabou sendo um erro**)

EN -The day of our plans we were on call about three hours before we had to leave and I was looking around my room but came to the realization that I didn't have a sweater to wear that day (**and the way the weather was going to be I was going to need it**) so I asked my friend since it was still a bit early if we go to the Old Navy near the restaurant and just buy a sweater for myself and she agreed (**that ended up being a mistake**)

Friday May 10, 1:30PM

PT-Nós dois saímos de casa por volta das doze e estimamos que chegaríamos às uma e vinte. Quando chegamos ao nosso destino, eu estava esperando minha amiga na estação, mas descobri que estávamos em uma estação diferente, pedi a ela que fosse em minha direção, mas ela terminou indo na direção errada três vezes, então decidimos nos encontrar no Old Navy e iríamos de lá para o restaurante

EN -We both left our homes at around Twelve and were estimated to arrive at one twenty, When we reached our destination I was waiting for my friend in the station but turns out we were in different station, I asked her to head towards me but she ended up going the wrong way three times so instead we decided to meet at Old Navy and we would go from there to the restaurant

Friday May 10, 1:50PM

PT -Na hora de fazer o check out faltavam menos de 10 minutos para chegar ao restaurante a pé, não íamos chegar a tempo, estávamos ambos estressados com a situação. e tentando o nosso melhor para vencer o tempo, mas eu honestamente pensei que não conseguiríamos até que minha amiga começou a correr mais rápido que eu nem consegui vê-la em um ponto, seis minutos depois da nossa reserva ela chegou e eles a sentaram então você não imagina o alívio que senti depois de ouvir isso, quando cheguei lá foi quando a verdadeira experiência começou...

EN -By the time we were going to check out we less than 10 minutes to get to the restaurant by foot, we weren't going to make it on time, Both of us were stressing over the situation. and trying our best to beat time but I honestly thought we weren't going to make it until my friend started sprinting faster that i couldn't even see her at one point, six minutes after our reservation she arrived and they sat her down so you can't imagine the relief i felt after i heard that, once i got there that's when the true experience started...

Berimbau Brazilian Kitchen- The Experience

By: Yaneyra

PT - Assim que nos acomodamos, nos disseram para escanear um código QR colado no desinfetante para as mãos do cardápio. Eles tomam um monte de bebida alcoólica, mas infelizmente não conseguimos nenhuma para experimentar, então passamos para a comida, começamos com pratos principais, meu amigo pegou o Stroganoff de Frango enquanto eu peguei o hambúrguer de Picanha

EN -Once we got settled, we were told to scan a QR code stuck to the hand sanitizer for the menu, They had a bunch of alcoholic drink but sadly we couldn't get any to try so we moved on to food, we started with main dishes, My friend got the Chicken Stroganoff while I got the Picanha burger

Burger

Cheese Bread ->

PT -Mini Review- O hambúrguer para mim era honestamente perfeito, era grande, mas não tão grande que eu não pudesse nem dar uma mordida e honestamente tinha um gosto ótimo, eu provei o prato dos meus amigos e esse prato era honestamente um paraíso, tinha um gosto tão bom que nem sei como descrever, mas o molho estava bem marinado

EN -Mini Review- The burger to me was honestly perfect, it was big but not too big where i can't even take a bite and honestly tasted great, i have a taste of my friends dish and that dish was honestly heaven it tasted so good I don't even know how to describe it, but the sauce was just well marinated

PT- O pão de queijo era honestamente o que eu esperava, mas isso não significa que não tivesse um gosto ótimo

EN- The cheese bread was honestly what i expected but that didn't mean it didn't taste great
