

**ECE 110 - Professional Development Plan**

	I want to be an ECP major. The reason is because I love being around kids and want to know how they read and write. Also helps they with it.	
What qualities do you have that will help you be successful working with your chosen age group?	The reason I want to be a teacher is because I like to help children around me and when ever I see a child it makes me happy. Also I have kind at home I can handle them when there parents are not home.	
What skills would you like to develop that will help you be more effective working with that age group?	The skills I would like to develop is patience. I do have it but in a professional way.	
What are your career goals?	My career goals is to finish associate degree from BMCC. Work as an assistant teacher and then finish my four years college and work as a professional teacher.	
What steps will you take to achieve those career goals?	First steps I would say focus towards my goals. Finish ECE degree.	
What steps will you take at BMCC to help you reach those goals?	Finish my ECE program Look program that can help me. Find job as a assisted teacher
