

American Museum of Natural History

Step into the future in this new exhibition that transports visitors to the Moon, Mars, and beyond as it boldly explores humanity's next steps in space.

**BEYOND  
PLANET  
EARTH**  
The Future of Space Exploration

Beyond Planet Earth: The Future of Space Exploration is organized by the American Museum of Natural History, New York ([www.amnh.org](http://www.amnh.org))

in collaboration with MadaTech: The Israel National Museum of Science, Technology & Space, Haifa, Israel.

Beyond Planet Earth is made possible through the sponsorship of Lockheed Martin and is proudly supported by Con Edison.
