

# WINTER NETWORK+ CERTIFICATION BOOTCAMP

**11/15/2023 – 1/23/2024**

The Computer Information Systems Department and National Science Foundation are conducting a Network+ Certification Bootcamp during Winter Break. The bootcamp will be conducted by Professor **Roy Lau** who is a certified Network+ professional.

**The Bootcamp is open to all students free of charge and will be delivered in a synchronous remote mode.**

**DEADLINE FOR APPLICATION IS MONDAY NOVEMBER 6 11:59 PM**

Those students who have completed the bootcamp satisfactorily will be eligible to receive an examination voucher to take the certification examination.

The schedule is as follows:

Preliminary Prep Sessions (Orientation)

11/15/2023 – Wednesday 2-4 PM

11/29/2023 – Wednesday 2-4 PM

Main Prep and Practice Sessions

12/21/2023 – Thursday 1-4 PM

12/26/2023 – Tuesday 1-4 PM

12/28/2023 – Thursday 1-4 PM

1/2/2024 – Tuesday 1-4 PM

1/4/2024 – Thursday 1-4 PM

1/9/2024 – Tuesday 1-4 PM

1/11/2024 – Thursday 1-4 PM

1/16/2024 – Tuesday 1-4 PM

1/18/2024 – Thursday 1-4 PM

1/23/2024 – Tuesday 1-4 PM

All students who want to participate in this program must agree to the following:

- 20 hours of study minimum, outside of the 6 class hours.
- Full engagement in class, with cameras ON
- Timely completion of all end-of-unit exams including all related simulation labs, and on-line timed exams.
- Forming study groups with your peers
- Preparation to take the certification exam at the completion of the bootcamp.
- Approval from the instructor that you are prepared to take the exam prior to receiving a voucher

**To register for the Bootcamp, fill out the bottom part of this form, save it under *yourfirstname\_lastname\_Learning\_Agreement* and email it to [CIS@BMCC.CUNY.EDU](mailto:CIS@BMCC.CUNY.EDU)**

*I have read the requirements and agree to all conditions and attest that I will adhere to them in good faith.*

*I understand that failing to meet the requirements, especially by falling behind in class or by non-attendance, or by failure to read study materials and complete quizzes will result in removal from class, at the instructor's discretion.*
